
Part 1. Personal Questions. (1 min for each candidate)

1. What is your favourite food?
2. How important is music for you?
3. Do you spend a lot of time on the computer?

4. What are your plans for the future?
5. How do you expect to use English in the future?
6. Do you have any special plans for the weekend?

Part 2.

Now I'd like each of you to talk **on your own** for about **a minute**.

I'm going to give each of you two different photographs and I'd like you to talk about them.

Candidate A: Here are your two photographs. They show two different **places to live**. I'd like you to compare and contrast these pictures and say **where you would like to live and why**.

(ONE MINUTE)

Candidate B: Is there a lot of air pollution in the area where you live?

(THIRTY SECONDS)

Candidate B: Here are your two photographs. They each show a boat in the sea.

I'd like you to compare and contrast these pictures and say **how these pictures make you feel**

(ONE MINUTE)

Candidate A: Do you like spending time near the sea?

(THIRTY SECONDS)

Part 3

Now, I'd like you to talk about **something together** for about **two minutes**. I'm just going to listen.

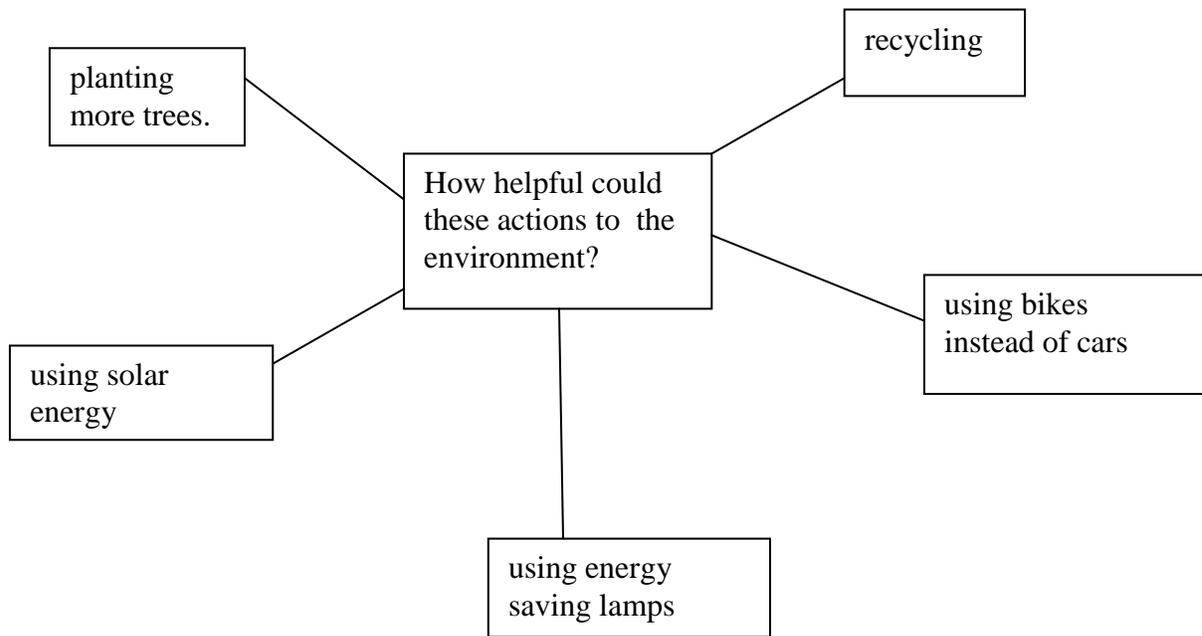

Imagine you are doing a **school project on how to save our planet**.

Here are some ideas about **things we can do to save our planet**.

First have a look at the task (15 seconds)

First talk together about **how helpful these actions could be to save the environment**.
(2 min.)

Then **decide which two topics would be the best to include in your school project**.
(1 min)

part 4 (4 minutes)

1. What is the most important threat for our planet?
2. Are you interested in environmental issues?
3. Would you become or are you already a member of greenpeace or any other such organization?
4. Are there things we can do at home to help save energy?
5. What is the most important environmental problem in your country?
6. It seems that the climate is changing. What problems do you think people are going to have in the future because of that?
7. Are there things we can do save the water supplies?

TOPIC: POLLUTION - ENVIRONMENT

Where you would like to be and why

TOPIC: POLLUTION - ENVIRONMENT

How do these pictures make you feel?

Part 3

1. How helpful could these actions be to save the environment? (2 min)
2. Which two topics are the best to include in your project? (1 min)
