

Imagine that a friend of yours is organizing a climb up Mount Everest to raise money for charity. You have decided to help him get people to participate. Write a leaflet promoting the climb. Your leaflet should include the following information:

- details of when the event is taking place and how long it lasts
- details of the minimum amount of money people who want to participate need to raise
- information about the charity the climb is raising money for
- information on what to do next if you want to get involved

WRITE your leaflet in about 200 words

.....

Do you feel like helping others? Are you ready for action?
Combine them both and join us in the climb up Mount Everest event.

This is a once in a lifetime chance to climb the highest mountain on earth and at the same time help people with mobility problems. The event is organised but the 'Motion for All Society' which is dedicated to supporting the physically disabled. It will take place on 10th August and it will last twenty days.

Details about the event

In order to participate you need to be fit and have some previous climbing experience. Every participant needs to raise a minimum of two hundred and twenty euros. The departure is on 9th August from the international airport and we'll fly back on 30th August.

'Motion for All Society'

The 'Motion for All Society' was founded in 1988 by relatives of disabled people and has since organised more than twenty fund raising events with great success. The goal of the society is to provide disadvantaged people with wheel chairs and equipment that can improve their everyday life.

How can I participate?

You can easily join us by filling in our online application form available on our website: www.info@motionforall.org. Or you can just call on 2108353663 and we will do your registration over the phone.
