

“All of me” by John Legend

[Verse I]

What would I do without your smart 1.....

Drawing me in, and you kicking me out

You got my head spinning, no kidding,

I can't pin you 2.....

What's going on in that beautiful 3.....

I'm on your magical mystery ride

And I'm so 4....., don't know what hit me, but I'll
be alright

[Bridge]

My head's 5.....

But I'm breathing fine

You're crazy and I'm out of my 6.....

[Chorus]

'Cause all of me

Loves all of you

Love your curves and all your 7.....

All your 8..... imperfections

Give your all to me

I'll give my all to you

You're my 9..... and my beginning

Even when I lose I'm 10.....

Cause I give you all of me

And you give me all of you, oh

[Verse II]

How many times do I have to tell you
Even when you're 11..... you're beautiful too
The world is beating you down, I'm around through every mood
You're my 12....., you're my muse
My worst distraction, my rhythm and blues
I can't stop singing, it's 13..... in my head for you

[Bridge]

My head's underwater
But I'm 14..... fine
You're crazy and I'm out of my mind

[Chorus]

[Bridge]

Cards on the table, we're both 15..... hearts
Risking it all though it's hard
