

"Resistance" by Muse

Is our secret safe 1.....
And are we out of sight
Or will our world come tumbling 2.....?
Will they find our hiding place
Is this our last 3.....
Or will the walls start caving in?

- refrain -

(It could be wrong, could be wrong) But it should have been 4.....
(It could be wrong, could be wrong) To let our 5..... ignite
(It could be wrong, could be wrong) Are we digging a 6.....?
(It could be wrong, could be wrong) This is out of 7.....

(It could be wrong, could be wrong) It could never 8.....
(It could be wrong, could be wrong) Must erase it 9.....
(It could be wrong, could be wrong) But it could have been 10.....
(It could be wrong, could be...)

Love is our 11.....
They'll keep us apart and they won't stop breaking us 12.....
Hold me
Our lips must always be 13.....

If we live a life in 14.....
I'll wait a thousand years
Just to see you 15..... again

Kill your prayers for love and peace
You'll wake the 16..... police
We can't hide the truth 17.....

- refrain -

The night has reached its 18.....
We can't 19.....
We must run
We must run
It's time to run
Take us away from here
Protect us from 20..... harm

Songs

"Resistance" by Muse

Is our secret safe 1. **tonight**
And are we out of sight
Or will our world come tumbling 2. **down?**
Will they find our hiding place
Is this our last 3. **embrace**
Or will the walls start caving in?

- refrain -

*(It could be wrong, could be wrong) But it should have been 4. **right***
*(It could be wrong, could be wrong) To let our 5. **hearts** ignite*
*(It could be wrong, could be wrong) Are we digging a 6. **hole?***
*(It could be wrong, could be wrong) This is out of 7. **control***

*(It could be wrong, could be wrong) It could never 8. **last***
*(It could be wrong, could be wrong) Must erase it 9. **fast***
*(It could be wrong, could be wrong) But it could have been 10. **right***
(It could be wrong, could be...)

Love is our 11. **resistance**
They'll keep us apart and they won't stop breaking us 12. **down**
Hold me
Our lips must always be 13. **sealed**

If we live a life in 14. **fear**
I'll wait a thousand years
Just to see you 15. **smile** again

Kill your prayers for love and peace
You'll wake the 16. **thought** police
We can't hide the truth 17. **inside**

- refrain -

The night has reached its 18. **end**
We can't 19. **pretend**
We must run
We must run
It's time to run
Take us away from here
Protect us from 20. **further** harm
