

“BRAVE” by Sara Bareilles

You can be amazing  
You can turn a 1. .... into a weapon or a drug  
You can be the outcast  
Or be the backlash of somebody's lack of 2.....  
Or you can start speaking 3.....

Nothing's gonna hurt you the way that 4..... do  
When they settle beneath your skin  
Kept on the 5..... and no sunlight  
Sometimes a shadow wins  
But I wonder what would happen if you

*-refrain-*

*Say what you wanna say  
Honestly I wanna see you be brave  
And let the words fall out  
I just wanna see you*

*And let the words fall out  
With what you want to say  
Honestly I wanna see you be brave  
I wanna see you be brave*

Everybody's been there,  
Everybody's been stared down by the 6.....  
Fallen for the fear  
And done some disappearing,  
Bow 7. .... to the mighty  
Don't run, just stop holding your 8. ....

Maybe there's a way out of the 9. .... where you live  
Maybe one of these days you can let the light in  
Show me how big your 10. .... is

*-refrain-*

And since your history of 11.....  
Won't do you any good,  
Did you think it would?  
Let your words be anything but 12. ....  
Why don't you tell them the 13. ....?

*-refrain-*

You can be the outcast  
Or be the backlash of somebody's lack of 2. **love**  
Or you can start speaking 3. **up**

Nothing's gonna hurt you the way that 4. **words** do  
When they settle beneath your skin  
Kept on the 5. **inside** and no sunlight  
Sometimes a shadow wins

*-refrain-*

*Say what you wanna say  
Honestly I wanna see you be brave  
And let the words fall out  
I just wanna see you*

*And let the words fall out  
With what you want to say  
Honestly I wanna see you be brave

Fallen for the fear  
And done some disappearing,  
Bow 7. **down** to the mighty  
Don't run, just stop holding your 8. **tongue**

Maybe there's a way out of the 9. **cage** where you live  
Maybe one of these days you can let the light in  
Show me how big your 10. **brave** is

*-refrain-*

And since your history of 11. **silence**  
Won't do you any good,  
Did you think it would?  
Let your words be anything but 12. **empty**  
Why don't you tell them the 13. **truth**?
