

"Battlefield" by Jordin Sparks

Don't try to explain your 1.
I know what's happening 2.
One minute it's love and suddenly
It's like a battlefield
One word turns into a 3.
Why is it the smallest things that tear us 4.
My world's nothing when you're gone
I'm out here without a 5.
Can't go back now

*Both 6. tied behind my back for nothing, oh, no
These times when we 7. so fast to fall again
Why we gotta fall for it now*

*I never meant to start a 8.
You know I never wanna hurt you
Don't even know what we're fighting 9.*

*Why does love always feel like ... a battlefield (battlefield)
[repeat]*

Can't swallow our 10.
Neither of us wanna raise that 11.....
If we can't 12.
then we both gonna lose what we had, oh no

-refrain-

I guess you better go and get your 13.

We could pretend that we are friends 14.....
And in the morning we'll wake up and we'll be alright
Cause baby we don't have to 15.....
And I don't want this love to feel like

-refrain-
