

**"The Nights"** by Avicci

**Hey**, once upon a 1..... year  
When all our 2..... disappeared  
The animals inside came out to 3.....

**Hey**, went face to face with all our 4.....  
Learned our lessons through the 5.....  
Made memories we knew would never 6.....

**One day my father—he told me,**  
"Son, don't let it 7..... away."

**He took me in his arms, I heard him say,**  
"When you get older  
Your wild heart will live for younger days  
Think of me if ever you're 8......"

**He said,**  
"One day you'll 9..... this world behind  
So 10..... a life you will remember."

My father told me when I was just a child  
These are the nights that never 11.....  
My father told me

*[Instrumental]*

When thunder clouds start pouring 12.....  
Light a fire they can't put 13.....  
Carve your name into those 14..... stars  
He said, "Go venture far beyond these 15.....  
Don't forsake this 16..... of yours.  
I'll 17..... you home  
no matter where you are."

## **Songs**

**Hey**, once upon a younger year  
When all our shadows disappeared  
The animals inside came out to play

**Hey**, went face to face with all our fears  
Learned our lessons through the tears  
Made memories we knew would never fade

**One day my father—he told me,**  
"Son, don't let it slip away."

**He took me in his arms, I heard him say,**  
"When you get older  
Your wild heart will live for younger days  
Think of me if ever you're afraid."

**He said,**  
"One day you'll leave this world behind  
So live a life you will remember."

My father told me when I was just a child  
These are the nights that never die  
My father told me

*[Instrumental]*

When thunder clouds start pouring down  
Light a fire they can't put out  
Carve your name into those shining stars  
He said, "Go venture far beyond these shores.  
Don't forsake this life of yours.  
I'll guide you home no matter where you are."
