

'Ain't nobody' by Felix Jaehn

Captured effortlessly
That's the way it was
Happened so 1.....
I did not know it was love
The next thing I felt was
You holding me 2.
What was I gonna do?
I let myself go

*And now we're flying through the 3.....
I hope this night will last 4.....*

*Oh oh oh oh
Ain't nobody
Loves me better
Makes me happy
Makes me feel this 5.
Ain't nobody
Loves me better than you*

I've been waiting for you
It's been so 6.
I knew just what I would do
When I heard your 7.
You filled my heart with a kiss
You gave me freedom
You knew I could not 8.....
I needed someone

- refrain -

I make my 9..... upon a star
And hope this 10..... will last forever

- refrain -

At first you put your 11..... around me
Then you put your 12. around me
We stare into each other's eyes
And what we see is no surprise
Got a feeling most with 13.....
And a love so deep we cannot 14

I did not know it was love
The next thing I felt was
You holding me 2. **close**
What was I gonna do?
I let myself go

*And now we're flying through the 3. **stars**
I hope this night will last 4. **forever***

*Oh oh oh oh
Ain't nobody

I've been waiting for you
It's been so 6. **long**
I knew just what I would do
When I heard your 7. **song**
You filled my heart with a kiss
You gave me freedom
You knew I could not 8. **resist**
I needed someone

I make my 9. **wish** upon a star
And hope this 10. **night** will last forever

At first you put your 11. **arms** around me
Then you put your 12. **charms** around me
We stare into each other's eyes
And what we see is no surprise

And a love so deep we cannot 14. **measure.**
