

"What Goes Around... / ...Comes Around Interlude"

Hey girl, is he everything you wanted in a man?
You know I gave you the 1.....
You had me in the palm of your 2.....
So why your love went away
I just can't seem to 3.....
Thought it was me and you babe
Me and you until the end
But I 4..... I was wrong

*Don't want to think about it
Don't want to talk about it
I'm just so sick about it
Can't believe it's ending this way
Just so confused about it
Feeling the blues about it
I just can't do without ya
Tell me is this fair?*

Is this the way it's really going down?
Is this how we say 5..... ?
Should've known better when you came around
That you were gonna make me 6.....
It's breaking my heart to watch you run around
'Cause I know that you're living a 7.....
That's okay baby 'cause in time you will find...

*What goes around, goes around, goes around
Comes all the way back around*

Now girl, I remember everything that you claimed
You said that you were moving on 8.....
And maybe I should do the same
Funny thing about that is
I was ready to give you my 9.....
Thought it was me and you, babe
And now, it's all just a 10.....
And I guess I was wrong

- refrain -

Let me paint this 11..... for you, baby

You spend your nights alone
And he never comes 12.....
And every time you call him
All you get's a busy tone
I heard you found 13.....
That he's doing to you
What you did to me
Ain't that the way it 14.....

When you cheated girl
My heart bleded girl
So it goes without saying that you left me feeling 15.....
Just a classic case
A scenario
Tale as old as time
Girl you got what you 16.....

And now you want somebody
To cure the 17..... nights
You wish you had somebody
That could come and make it 18.....

But girl I ain't somebody with a lot of sympathy
You'll see

-refrain-

Hey girl, is he everything you wanted in a man?
You know I gave you the **world**
You had me in the palm of your **hand**
So why your love went away
I just can't seem to **understand**
Thought it was me and you babe
Me and you until the end
But I guess I was wrong

*Don't want to think about it
Don't want to talk about it
I'm just so sick about it
Can't believe it's ending this way
Just so confused about it
Feeling the blues about it
I just can't do without ya
Tell me is this fair?*

Is this the way it's really going down?
Is this how we say **goodbye**?
Should've known better when you came around
That you were gonna make me **cry**
It's breaking my heart to watch you run around
'Cause I know that you're living a **lie**
That's okay baby 'cause in time you will find...

*What goes around, goes around, goes around
Comes all the way back around*

Now girl, I remember everything that you claimed
You said that you were moving on **now**
And maybe I should do the same
Funny thing about that is
I was ready to give you my **name**
Thought it was me and you, babe
And now, it's all just a **shame**

Let me paint this **picture** for you, baby

You spend your nights alone
And he never comes **home**
And every time you call him
All you get's a busy tone
I heard you found **out**
That he's doing to you
What you did to me
Ain't that the way it **goes**

When you cheated girl
My heart bled girl
So it goes without saying that you left me feeling **hurt**
Just a classic case
A scenario
Tale as old as time
Girl you got what you **deserved**

And now you want somebody
To cure the **lonely** nights
You wish you had somebody
That could come and make it **right**

But girl I ain't somebody with a lot of sympathy
You'll see
