

"Writing's on the wall" by Sam Smith

I've been here 1.....
But always hit the floor
I've spent a lifetime 2.....
And I always get away
But with you I'm feeling something
That makes me want to 3.....

I'm prepared for this
I never shoot to 4.....
But I feel like a 5..... is coming
If I'm gonna make it through the day
Then there's no more use in 6.....
This is something I gotta face

If I 7..... it all
Could you break my fall?

[Chorus:]

How do I live? How do I 8..... ?
When you're not here I'm suffocating
I want to feel love, run through my 9.....
Tell me is this where I give it all up?
For you I have to risk it all

Cause the writing's on the wall

A million shards of 10.....
That haunt me from my past
As the stars begin to 11.....
And the light begins to fade
When all hope begins to 12.....
Know that I won't be afraid

If I 13..... it all
Could you break my fall?

[Chorus:]

Songs

I've been here **before**
But always hit the floor
I've spent a lifetime **running**
And I always get away
But with you I'm feeling something
That makes me want to **stay**

I'm prepared for this
I never shoot to **miss**
But I feel like a **storm** is coming
If I'm gonna make it through the day
Then there's no more use in **running**
This is something I gotta face

If I **risk** it all
Could you break my fall?

[Chorus:]

How do I live? How do I **breathe**?
When you're not here I'm suffocating
I want to feel love, run through my **blood**
Tell me is this where I give it all up?
For you I have to risk it all
Cause the writing's on the wall

A million shards of **glass**
That haunt me from my past
As the stars begin to **gather**
And the light begins to fade
When all hope begins to **shatter**
Know that I won't be afraid

If I **risk** it all
Could you break my fall?

[Chorus:]
