

“People help the people” by Birdy

God knows what is hiding in those weak and drunken 1.....
Guess he kissed the 2..... and made them cry
Those hard-faced 3..... of misadventure

God knows what is hiding in those weak and sunken 4.....
Fiery throngs of muted 5.....
Giving love but getting 6..... back, oh

People help the people

And if you're homesick
give me your hand and I'll 7..... it
People help the people
And nothing will drag you 8.....
Oh and if I had a brain,
Oh and if I had a brain
I'd be cold as a 9..... and rich as a fool
That turned all those good hearts away

God knows what is hiding in this 10..... of little consequence
Behind the tears, inside the 11.....
A thousand slowly dying sunsets

God knows what is hiding in those weak and drunken 12.....
Guess the loneliness came knocking
No one needs to be 13..... , oh singin'

Guess he kissed the 2.....**girls** and made them cry
Those hard-faced 3.....**queens** of misadventure

God knows what is hiding in those weak and sunken 4.....**lives**

People help the people
And nothing will drag you 8.....**down**
Oh and if I had a brain,
Oh and if I had a brain
I'd be cold as a 9.....**stone** and rich as a fool
That turned all those good hearts away

God knows what is hiding in this 10.....**world** of little consequence
Behind the tears, inside the 11.....**lies**
A thousand slowly dying sunsets
