

'Freedom' by Pharrell Williams

Hold on to 1.....
Don't let me go
Who cares what they 2.....
Who cares what they know?
Your first name is 3.....
Last name is 4.....
Cause you still believe
In where we're from

[Chorus]

Man's red 5.....
It's in every living thing
Mind, use your 6.....
Spirit, use your wings
Freedom!

[Verse 2]

Hold on to 7.....
Don't let me go
Cheetahs need to 8.....
Run, antelope
Your first name is 9.....
Last name is 10.....
Cause you still believe
In everyone

[Chorus]

When a 11..... first breathes
When night sees sunrise
When the whale hops the 12.....
When man recognizes
Freedom!

[Verse 3]

We are from 13.....
The electric one
Does it shock you to see
He left us the sun?
Atoms in the air
Organisms in the 14.....
The sun and yes, man
Are made of the 15..... things
