"The Times They Are A-Changin'"
By Bob Dylan

PEOPLE

[waters, stone, bone]

Come gather 'round people
Wherever you roam
And admit that the
Around you have grown
And accept it that soon
You'll be drenched to the
If your time to you
Is worth savin'
Then you better start swimmin'
Or you'll sink like a
For the times they are a-changin'.

WRITERS & CRITICS

[win, pen, spin]

Come writers and critics
Who prophesize with your
And keep your eyes wide
The chance won't come again
And don't speak too soon
For the wheel's still in
And there's no tellin' who
That it's namin'
For the loser now
Will be later to
For the times they are a-changin'.

SENATORS & CONGRESSMEN

[outside, hall, walls]

Come senators, congressmen
Please heed the call
Don't stand in the doorway
Don't block up the
For he that gets hurt
Will be he who has stalled
There's a battle
And it is ragin'
It'll soon shake your windows
And rattle your
For the times they are a-changin'.

MOTHERS & FATHERS

[criticize, hand, command]

Come mothers and fathers
Throughout the land
And don't
What you can't understand
Your sons and your daughters
Are beyond your
Your old road is
Rapidly agin'
Please get out of the new one
If you can't lend your.....
For the times they are a-changin'.

[fast, last, drawn]

The line it is
The curse it is cast
The slow one now
Will later be
As the present now
Will later be past
The order is
Rapidly fadin'
And the first one now
Will later be
For the times they are a-changin'.

"American Pie"
By Don MacLean

[died, smile, while, deliver, cried]

A long, long time ago
I can still remember how that music used to
make me
And I knew if I had my chance
That I could make those people dance
And maybe they'd be happy for a

But February made me shiver
With every paper I'd
Bad news on the doorstep
I couldn't take one more step

I can't remember if I
When I read about his widowed bride
But something touched me deep inside
The day the music

- refrain -

So bye, bye, Miss American Pie
Drove my Chevy to the levee but
the levee was dry
And them good ole boys were
drinking whiskey 'n rye
Singin' this'll be the day that I die
This'll be the day that I die

[luck, love, soul, gym, blues]

Did you write the book of
And do you have faith in God above
If the Bible tells you so?
Now do you believe in rock and roll?
Can music save your mortal?
And can you teach me how to dance real slow?

Well, I know that you're in love with him
'Cause I saw you dancin' in the
You both kicked off your shoes
Man, I dig those rhythm and

I was a lonely teenage broncin' buck
With a pink carnation and a pickup truck
But I knew I was out of
The day the music died

- refrain -

[stone, crown, dark, returned, queen]

Now for ten years we've been on our own
And moss grows fat on a rollin'
But that's not how it used to be
When the jester sang for the king and
In a coat he borrowed from James Dean
And a voice that came from you and me

Oh, and while the king was looking down
The jester stole his thorny
The courtroom was adjourned
No verdict was

And while Lenin read a book on Marx
The quartet practiced in the park
And we sang dirges in the
The day the music died

- refrain -

[revealed, shelter, pass, field, chance]

Helter skelter in a summer swelter
The birds flew off with a fallout
Eight miles high and falling fast
It landed foul on the grass
The players tried for a forward
With the jester on the sidelines in a cast

Now the halftime air was sweet perfume
While the sergeants played a marching tune
We all got up to dance
Oh, but we never got the

'Cause the players tried to take the
The marching band refused to yield
Do you recall what was
The day the music died?

- refrain -

"Blowin' In The Wind"
by Bob Dylan

[fly, down, sail]

How many roads must a man walk
Before you call him a man?
How many seas must a white dove
Before she sleeps in the sand?
Yes, and how many times must the cannon
balls
Before they're forever banned?

**The answer, my friend, is
blowin' in the wind
The answer is
blowin' in the wind.**

[free, exist, head]

Yes, and how many years can a mountain
Before it is washed to the sea?
Yes, and how many years can some people
exist
Before they're allowed to be?
Yes, and how many times can a man
turn his
And pretend that he just doesn't see?

- refrain -

[died, cry, sky]

Yes, and how many times must a man look up
Before he can see the?
Yes, and how many ears must one man have
Before he can hear people?
Yes, and how many deaths will it take 'til he
knows
That too many people have?

-refrain-

"One" by U2

[without, same, blame, mouth, care, share]

Is it getting better?
Or do you feel the?
Will it make it easier on you?
Now you got someone to
You say: One love One life
When it's One need In the night
It's One love - We get to it
It leaves you baby - If you don't for it

Did I disappoint you?
Or leave a bad taste in your?
You act like you never had love
And you want me to go

Well it's too late. Tonight. To drag the past out
Into the light we're one
But we're not the same
We get to carry each other - Carry each other

[should, forgiveness, head, crawl, hurt]

Have you come here for
Have you come to raise the dead
Have you come here to play Jesus
To the lepers in your
Did I ask too much - More than a lot
You gave me nothing - Now it's all I got
We're one - But we're not the same
We hurt each other - Then we do it again

You say
Love is a temple - Love a higher law
Love is a temple - Love the higher law
You ask me to enter
But then you made me
And I can't be holding on
To what you got
When all you got is

One love - One blood - One life
You got to do what you

One life
With each other
Sisters - Brothers

One life
But we're not the same
We get to carry each other
Carry each other

"The Sound Of Silence"
by Simon and Garfunkel

[night, damp, alone, creeping, brain]

Hello darkness, my old friend,
I've come to talk with you again,
Because a vision softly,
Left its seeds while I was sleeping,
And the vision that was planted in my
Still remains - Within the sound of silence.

In restless dreams I walked
Narrow streets of cobblestone,
'Neath the halo of a street lamp,
I turned my collar to the cold and
When my eyes were stabbed by the flash of a
neon light - That split the.....
And touched the sound of silence.

**[share, speaking, grows, listening,]
[raindrops, reach, prophets, prayed]**

And in the naked light I saw
Ten thousand people, maybe more.
People talking without,
People hearing without,
People writing songs that voices never
And no one dared - Disturb the sound of silence.

"Fools," said I, "You do not know.
Silence like a cancer
Hear my words that I might teach you.
Take my arms that I mightyou."
But my words like silent fell
And echoed in the wells of silence

And the people bowed and
To the neon god they made.
And the sign flashed out its warning
In the words that it was forming.
And the sign said, "The words of the
are written on the subway walls
And tenement halls
And whispered in the sounds of silence."

"Hallelujah"
by Leonard Cohen

[throne, chord, baffled, proof, moonlight]

Now I've heard there was a secret
That David played, and it pleased the Lord
But you don't really care for music, do you?

It goes like this - The fourth, the fifth
The minor fall, the major lift
The king composing Hallelujah
Hallelujah

Your faith was strong but you needed
You saw her bathing on the roof
Her beauty and the_overthrew you
She tied you to a kitchen chair
She broke your, and she cut your
hair
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

[wrong, touch, light, vain]

You say I took the name in
I don't even know the name
But if I did, well really, what's it to you?
There's a blaze of
In every word
It doesn't matter which you heard
The holy or the broken Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

I did my best, it wasn't much
I couldn't feel, so I tried to
I've told the truth, I didn't come to fool you
And even though it all went
I'll stand before the Lord of Song
With nothing on my tongue but Hallelujah
Hallelujah
