<b>organise</b>	<b>records</b>	<b>transfer</b>	<b>computer</b>
<b>infrared camera</b>	<b>links</b>	<b>tapping</b>	<b>search</b>
<b>replay</b>	<b>microphone</b>		

What can you use it for ?

- It 1..... everything you hear and 2..... it to what you write.
- Inside it has a(n) 3..... at the tip and a built in 4.....and a 5..... that remembers everything you write, draw and hear.
- You can replay the audio linked to your notes by 6..... on them
- You can also 7..... your notes and audio to a computer.
- From the computer desktop you can store and 8..... your notes, 9..... for words and 10..... that moment in time.
