

Too Good by Drake

Oh yeah, yeah, yeah  
Oh yeah, yeah, yeah  
Yeah, look

I don't know how to **1**..... to you  
I don't know how to **2**..... you if you're okay  
My friends always feel the **3**..... to tell me things  
Seems like they're just **4**..... than us these days

Yeah, these days I don't know how to **5**..... to you  
I don't know how to be there when you **6**..... me  
It feels like the only time you **7**..... me  
Is when you turn your **8**..... to the side and look  
at me differently

Yeah, and last night I think I lost my **9**.....  
Last night I got high as the **10**.....  
Last night, I came to a **11**.....  
And I hope you can take it  
I hope you can take it

I'm too good to you  
I'm way too good to you  
You take my love for **12**.....  
I just don't understand it  
No, I'm too good to you  
I'm way too good to you  
I just don't understand it

I don't know how to talk to you  
I just know I found myself getting **13**..... with you  
Lately you just make me **14**..... too hard for you  
Got me on **15**..... overseas, and I still can't get  
across to you

-refrain-

Years go by too **16**.....  
I can't **17**..... track  
How long did we last?  
I feel bad for asking  
It can't **18**..... like this  
We gotta take time with this

Let me see if this is something I can **19**.....  
You got somebody other than me  
Don't play the **20**..... when you're with me  
Free time is costing me more than it seems  
**21**..... things  
And I wanna tell you my **22**.....  
I wanna do the things that I **23**.....  
I wanna **24**..... from the friendship  
I wanna get the late night **25**..... from you, from you  
I put my hands around you  
Gotta get a handle on you  
Gotta get a handle on the fact that

-refrain-

KEY

Oh yeah, yeah, yeah  
Oh yeah, yeah, yeah  
Yeah, look

I don't know how to **talk** to you  
I don't know how to **ask** you if you're okay  
My friends always feel the **need** to tell me things  
Seems like they're just **happier** than us these days

Yeah, these days I don't know how to **talk** to you  
I don't know how to be there when you **need** me  
It feels like the only time you **see** me  
Is when you turn your **head** to the side and look at me differently

Yeah, and last night I think I lost my **patience**  
Last night I got high as the **expectations**  
Last night, I came to a **realization**  
And I hope you can take it  
I hope you can take it

I'm too good to you  
I'm way too good to you  
You take my love for **granted**  
I just don't understand it  
No, I'm too good to you  
I'm way too good to you

I just don't understand it

I don't know how to talk to you  
I just know I found myself getting **lost** with you  
Lately you just make me **work** too hard for you  
Got me on **flights** overseas, and I still can't get across to you

-refrain-

Years go by too **fast**  
I can't **keep** track  
How long did we last?  
I feel bad for asking  
It can't **end** like this  
We gotta take time with this

Let me see if this is something I can **fix**  
You got somebody other than me  
Don't play the **victim** when you're with me  
Free time is costing me more than it seems  
**Sacrificing** things  
And I wanna tell you my **intentions**  
I wanna do the things that I **mention**  
I wanna **benefit** from the friendship  
I wanna get the late night **message** from you, from you  
I put my hands around you  
Gotta get a handle on you  
Gotta get a handle on the fact that

-refrain-
