

**Do I want to know?** By Arctic Monkeys

Have you got colour in your **1**.....?  
 Do you ever get that fear that you can't shift  
 The type that sticks around like something in your **2**.....?  
 Are there some aces up your sleeve?  
 Have you no idea that you're in **3**.....?  
 I dreamt about you nearly every night this week  
 How many **4**..... can you keep?  
 'Cause there's this tune I found that makes me think of  
 you somehow and I play it on repeat  
 Until I fall **5**.....  
 Spilling drinks on my settee

(Do I wanna know)  
 If this feeling **6**..... both ways?  
 (Sad to see you go)  
 Was sort of hoping that you'd stay  
 (Baby we both know)  
 That the nights were mainly made for saying things that  
 you can't say **7**..... day

Crawling back to you

Ever thought of **8**..... when you've had a few?  
 'Cause I always do  
 Maybe I'm too **9**..... being yours to fall for somebody new  
 Now I've thought it through

Crawling back to you

So have you got the **10**.....?  
 Been wondering if your heart's still open and if so I wanna know what time it shuts  
 Simmer down and pucker up  
 I'm sorry to **11**..... It's just I'm constantly on the cusp of  
 trying to **12**..... you  
 I don't know if you feel the same as I do  
 But we could be **13**..... if you wanted to

### **Do I want to know?** By Arctic Monkeys

Have you got colour in your **cheeks**?  
Do you ever get that fear that you can't shift  
The type that sticks around like something in your **teeth**?  
Are there some aces up your sleeve?  
Have you no idea that you're in **deep**?  
I dreamt about you nearly every night this week  
How many **secrets** can you keep?  
'Cause there's this tune I found that makes me think of  
you somehow and I play it on repeat  
Until I fall **asleep**  
Spilling drinks on my settee

(Do I wanna know)  
If this feeling **flows** both ways?  
(Sad to see you go)  
Was sort of hoping that you'd stay  
(Baby we both know)  
That the nights were mainly made for saying  
you can't say **tomorrow** day

Crawling back to you

Ever thought of **calling** when you've had a few?  
'Cause I always do  
Maybe I'm too busy being yours to fall for somebody new  
Now I've thought it through

Crawling back to you

So have you got the **guts**?  
Been wondering if your heart's still open and if so I wanna know what time it shuts  
Simmer down and pucker up  
I'm sorry to **interrupt**. It's just I'm constantly on the cusp of trying to **kiss** you  
I don't know if you feel the same as I do  
But we could be **together** if you wanted to
