**Revision Essay 03**

Your class has attended a television debate about ways to fund universities. You have made the notes below.

Ways to fund universities:

- tuition fees
- higher taxes
- private sponsorship

Some opinions expressed in the discussion:

“It’s like anything else: you get what you pay for.”

“Why should I pay for a university I never went to and will never use?”

“If businesses get involved in education, some subjects will never be taught.”

Write an essay discussing **two** of the ways in your notes for students to fund universities. You should explain which way of funding you think is better, giving reasons in support of your answer.

Write your **essay** in 220-260 words.

Trainer test 3

Your class has listened to a panel discussion about the benefits to a country of people gaining experience of life abroad. You have made the notes below:

Benefits to a country of people spending time abroad.

- Business
- culture
- understanding

Some opinions expressed in the discussion:

“People who've spent time abroad are then well equipped to conduct business with different countries.”

“It teaches people about different traditions in local cultures.”

“People became aware that there are other ways of looking at the world.”

Write an essay discussing two of the benefits in your notes. You should explain which benefit you think is most important, giving reasons in support of your answer. You may, if you wish, make use of the opinions expressed in the discussion, but you should use your own words as far as possible.

Write your **essay** in 220-260 words.
