INTRODUCTION

This is a report on the new take-away restaurant, “Top Grill”, which has opened on the corner of Oxford and Main Street.

THE BUILDING

“Top Grill” is the most modern building in the city. It has two levels. On the ground floor you place your order and you get a tray with your food and drink. On the first floor there is large room where you can sit and enjoy your meal. It is decorated with bright colours and loud music plays all the time. There are screens mounted on the walls that show the video clips of the songs you hear.

THE FOOD & THE PRICES

“Top Grill” offers a wide range of fast meals in reasonable prices. There are some standard sandwiches and hamburgers but you can also choose the ingredients and make your own sandwich. A salad bar and a few vegetarian dishes are also available.

THE STAFF

The shop assistants are helpful and polite, but there should be more. When the place is busy there are queues at the cashiers.

RECOMMENDATION

All in all, it is an impressive place. I would definitely recommend it to teenagers but it is too noisy and crowded for families with small children.
